NOTICE INVITING TENDER

e-Government Procurement (e-GP)

TENDER NO. :LSGD/CELSGD/TR/38724/2026_5_1_1/1

The **Assistant Engineer Local Self Government Department, (LSGD)**O/o Office of the **Assistant Engineer ,LSGD Section Tholicodefor and on behalf of the Governor of Kerala invitesonline bids for the work detailed below from the Registered Bidders of Kerala PWD or from any State or Central Government Engineering Departments which are having similar functionalities like Kerala PWD.**

1	Name of Work	Annual Plan-THOLICODE GP : 312/2026-27-MAINTENANCE OF PULIMOOD SCHOOL NADA ROAD-General Civil Work
2	Location of Work	Thiruvananthapuram
3	Estimated Cost of Work	Rs.338778/-

4	Brief Description of Work	The estimate has been prepared for the work “Annual Plan 2026-27 – Project No. 99/2026-27 – Tholicode Grama Panchayath – Maintenance of Pulimood School Nada Road – General Civil Work”, which is included in the Annual Plan 2026-27 of Tholicode Grama Panchayath, with a financial allocation of ?4,00,000/- (Rupees Four Lakh only) under the MG Road Fund. The proposed work is intended for the maintenance of Pulimood School Nada Road, which is an important road serving the local residents and providing direct access to Pulimood Government UP School, UIT, Panchayath Anganawadi, etc. The road also provides a shorter route from Pulimood to Malayadi Junction without passing through Iruthalamoola Junction. The road is regularly used by school children, teachers, parents and the general public. Due to heavy rainfall during the previous monsoon season, the existing bituminous surface has deteriorated considerably, resulting in the formation of potholes and surface failures at several locations. Continuous water stagnation and surface runoff have further damaged the pavement, making vehicular movement difficult and unsafe, particularly for school-going children. Therefore, maintenance of the road is essential for ensuring safe and convenient transportation. Considering the limited availability of funds, it is proposed to carry out resurfacing only for a 250 m length of the road, from Ch. 0/000 (starting portion) to Ch. 0/250 towards Pulimood Government UP School, using Mix Seal Surfacing (MSS) with Anti-stripping Agent. The proposed treatment is intended to improve the riding quality and serviceability of the existing road within the available allocation. The estimate has been prepared based on the applicable provisions of MoRD Specifications, 2021 and the relevant Schedule of Rates, adopting a Cost Index of 1.4766 (147.66%) applicable to Thiruvananthapuram District. The estimate includes provisions for 10% Contractor’s Profit, 10% Overhead Charges and 18% GST, as applicable. The work is proposed to be executed through the tender system. The total estimated cost of the work is ?4,00,000/- (Rupees Four Lakh only), which is within the approved financial allocation under the MG Road Fund.
5	Bid Security	Rs.8469/-
6	Bid Submission fee (Tender fee)	750+(0)GST
7	Period Of Completion	0 Days 6 Months 0 Years
8	Classification of Bidder	CIVIL-D
