| 1 | Name of Work | GENERAL-139/2026-27-Renovation of Arappukadu Tunnel portion Road in ward 16-General Civil Work |
| 2 | Location of Work | Idukki |
| 3 | Estimated Cost of Work | Rs.506250/- |

| | | |
|---|---|---|
| 4 | Brief Description of Work | The Estimate is prepared for enovation of Renovation of Arappukadu Tunnel portion Road in ward 16In Elappara Gramapanchayath .The existing surface of the road is in a non trafficable condition due to very deep ruts formed by heavy runoff and stagnation of water in the surface due to lack of proper slope in various locations. The road is used by many villagers and children daily. Now they are travelling through the road with difficulty and in very unsafe manner. The Ayalsabha and Gramasabha discussed the matter and they include this work in the priority list and submitted the same to the Panchayath committee. So the Panchayath committee discussed the matter in detail and concluded that the renovation of the road is very essential and hence the estimate is prepared.By considering the importance for the protection and renovation of the road the Panchayath committee has resolved to form a project for concreting the road under Annual plan 2026-27 for an amount of Rs.700000/-( Sevan Lakh Thirty Nine Thousand Six Hundred and Sixty six Rupees Only) .It was observed during the site inspection that this location had beed tarred in the past . However , as the area receives heavy rainfall and is prone to water stagnation , it is reported that there is a very low possibility of the road surface remaining durable if it is tarred again and hence concreting is proposed.Provisions included in the estimate are scarifying and Cement Concrete for a length of 85.50 m for a thickness of 15cm .The estimate is prepared based on 2018 MORD with a GST of 18% with OH and CP. The Panchayath committee decided to award the work by Competitive open Tender. |
